### Summary of Operations

The total operational income of your company for the year ended 31st March, 2021 stood at ₹ 20,227.15 lakhs as against ₹ 21,787.11 lakhs in the previous year. The reduction in Net Sales and Operating Income was mainly due to impact of COVID-19 pandemic in the first quarter of the financial year 2020-21. However, due to reduction in operating expenses, the Profit before Depreciation, Finance Cost and Tax for the year ended 31st March, 2021 was recorded at ₹ 1,850.18 lakhs as against ₹ 1,593.36 lakhs in the previous year.

### The Year in Retrospect and Global impact of pandemic due to COVID-19

During the beginning of the first quarter of the financial year 2020-21, the nation had witnessed strict lockdowns due to the COVID-19 pandemic. Therefore, the manufacturing activities at your Company's units were completely shutdown. The Company resumed its operations in a phased manner in compliance with the guidelines issued by the respective authorities. Further, the Company had also taken measures to curtail its expenses *inter alia* by reducing salaries payable to the employees and other operating expenses thereby reducing the impact of the pandemic in the financial year 2020-21. During the latter part of the financial year, the Company's business regained momentum and due to increase in operational efficiencies and maximum utilisation of the available resources, the Company gained profits at the end of the financial year.

### **Outlook for the Current Year**

Even during the Current Year 2021-22, the global outlook remains highly uncertain, with major risks around the path of the pandemic and the possibility of financial stress amid large debt loads. The world economy is experiencing an exceptionally strong but highly uneven recovery. Growth is concentrated in a few major economies, with most emerging market and developing economies lagging behind. In India, the second wave of the pandemic had an impact over the first quarter of the current financial year 2021-22. Due to the spread of the corona virus infection amongst many people, the Government authorities had imposed certain restrictions on mobility of people and commercial activities. These restrictions had impacted manufacturing operations of the Company during the first quarter of the financial year 2021-22.

Eventhough the vaccination drive has helped in the revival of the economy, the future growth is still uncertain. Therefore, the Company will continue to closely monitor any material changes which may take place due to future economic conditions.

### **Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the financial year till the date of report**

There are no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year 2020-21 and the date of this report except for the following:

#### **i. Resurgence of COVID-19 pandemic:**

Due to resurgence COVID-19 pandemic during the beginning of the first quarter of financial year 2021-22, the government authorities had imposed certain restrictions and therefore there was an impact on the manufacturing activities of the Company. As these restrictions were relaxed in the phased manner, the manufacturing units have started operating with improved capacity utilisation.

#### **ii. Proposed sale of Company's own land:**

The Company is the owner of a vacant land located at Village Hariyali, Taluka Kurla in Mumbai Suburban District (Bhandup). As the Company is not intending to utilise the said land, it was proposed to sell the land. Pursuant to the approval received from the Board of Directors, the Company is negotiating with the prospective buyer for sale of land.

There has been no change in the nature of business of the Company during the financial year.

### **Change in registered office address**

During the year, the Company shifted its registered office with effect from 1st December, 2020. The new registered office of the Company is located at Office no. 91, 9th Floor, Jolly Maker Chambers No. 2, 225, Nariman Point, Mumbai- 400021. The previous registered office of the Company was located at 610-611, Nirman Kendra, Famous Studio Lane, Dr. E' Moses Road, Mahalaxmi, Mumbai-400011.

### **Change in Directorate**

There has been a change in the composition of Directors of the Company as one of the Independent Directors, the Late Mr. Byram Jeejeebhoy, left for heavenly abode on 9th June, 2020. As per Regulation 17(1)(b) of SEBI (Listing Obligations and Disclosure Requirements), 2015, atleast half of the Board of Directors of the Company should comprise of Independent Directors. Therefore, in compliance with the said Regulation, the Board of Directors recommended the appointment of Mr. Anil Kumar Bhandari (DIN: 00031194) as an Independent Director and the same was approved by the members of the Company at their 73rd Annual General Meeting held on 12th November, 2020.

### **Transfer to Reserves**

The Company does not propose to transfer any profits to its reserves for the financial year 2020-21.

### **Dividend**

Your Directors are pleased to recommend a dividend of ₹ 2.50 per Equity Share on 56,80,235 Equity Shares of ₹ 10 each for the financial year ended 31st March, 2021. The said dividend, if approved by the members, would involve a cash outflow ₹ 142 lakhs. The dividend will be paid subject to the approval of shareholders at the forthcoming Annual General Meeting to those shareholders whose names appear on the Register of Members of the Company as on the specified date.

### **Share Capital**

The paid up Equity Share Capital as on 31st March, 2021 was ₹ 567.60 lakhs. During the year, the Company has not issued any shares.

### **Loans, guarantees or investments**

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes accompanying the financial statements.

### **Fixed Deposits**

Your Company has not accepted any deposits from public and its members during the financial year 2020-21. There has been no deposit which was unpaid or unclaimed as at the end of the year. There has not been any default in repayment of deposits or payment of interest thereon during the year. The Company is holding deposits of ₹ 318 lakhs from its Directors as on 31st March, 2021.

### **Related party transactions**

All transactions entered with related parties for the year under review were on arm's length basis and in the ordinary course of business and the provisions of Section 188 of the Companies Act, 2013 are not attracted. Thus, disclosure in AOC-2 is not required. The details of transaction are provided in Note No. 42 of the Notes to Accounts. Further, there are no material related party transactions during the year under review with the Promoters, Directors, and Key Managerial Personnel.

All Related Party Transactions are placed before the Audit Committee as also before the Board for approval. Omnibus approval was obtained for transactions which are repetitive in nature. A statement giving details of all the transactions entered into pursuant to omnibus approval are placed before the Audit Committee and Board for a review.

The policy on Related Party Transactions as approved by the Board of Directors has been uploaded on the website of the Company. None of the Directors have any pecuniary relationships or transactions vis-a-vis the Company.

### **Insurance**

All the assets of the Company are fully insured against major risks.

### **Unsecured Loan**

The Company has obtained unsecured loan from the following Directors to meet the short term requirements of the Company:

- i. ₹ 460 lakhs from Smt. Hira Bhojwani, Non-Executive Director and
- ii. ₹ 10 lakhs from Mrs. Devika Bhojwani, Whole-time Director

The total outstanding loan as on 31st March, 2021 is ₹ 470 lakhs.

### **Internal financial controls**

The internal financial controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company. The Company has appointed Internal Auditors who periodically audit the adequacy and effectiveness of the internal controls laid down by the management and suggest improvements. The Audit Committee periodically approves the audit reports, implementation of audit recommendations, if any and adequacy of internal controls. Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory and secretarial auditors, the Board is of the opinion that there is an existence of proper systems to ensure compliance with the provisions of applicable laws and Company's internal financial controls were adequate, efficient and effective during financial year 2020-21.

### **Significant and material orders passed by the Regulators**

During the year under review, no significant and material orders were passed by the Regulators or Courts or Tribunals impacting the going concern status and Company's operations. However, we had received an email from BSE Ltd. pertaining to non-compliance of Regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements), 2015. The Company has submitted its reply to BSE Ltd. and their response is awaited.

### **Directors' Responsibility Statement**

Pursuant to the requirement of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013, your Directors confirm that:

- (a) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the annual accounts on a going concern basis;
- (e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- (f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### **Management Discussion and Analysis**

# MANAGEMENT DISCUSSION AND ANALYSIS

## ECONOMIC AND BUSINESS OVERVIEW

As COVID-19 pandemic impacted human life extensively across the globe, the financial year 2020-21 has been an unprecedented year. Its impact on the economic front, too, has been significant. The slowdown across economies witnessed in 2019 exacerbated further in 2020 due to the pandemic. As a result, the global GDP is believed to have contracted by 3.3% in 2020, with all major economies moving into negative territory. China was the only exception amongst the major economies to have posted a positive growth in 2020, albeit at a much lower rate of 2.3%. Despite the steep global decline in the year 2020, global GDP decline was lower than initially feared primarily due to the support from global central banks and fiscal stimulus from governments. The economic upheaval could have been much more severe had it not been for the quick and synchronised response from central banks and governments globally, although this too varied across countries. The global economy is expected to see a rebound in 2021 with the International Monetary Fund (IMF) expecting 6% growth. The increase in balance sheet sizes of almost all central banks and the supportive measures undertaken by governments globally ensured easy availability of funding and support for both private and public consumption. Governments and Central Banks are expected to maintain supportive policies until the recovery is firmly underway.

## INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian plastics industry has been developing fast with market growth and diversification in recent years. In India, there are around 30,000 plastic processing units of which 85-90% are small and medium-sized enterprises, over 7000 recycling units and numerous end-users, which ensure an effective industry chain in the country. These enterprises employ more than 4 million people. Key factors that are increasing plastic consumption are construction, automotive, and electrical & electronics industries, and growing population coupled with rapid urbanization and industrialization in emerging economies. The global plastic market size was valued at USD 579.7 billion in 2020 and is expected to expand at a compound annual growth rate (CAGR) of 3.4% from 2021 to 2028.

Your Company is in the business of manufacturing plastic components which are used in refrigerators, washing machines, water purifiers, etc. As the first quarter of the financial year 2020-21 began with the nationwide lockdown due to COVID-19 pandemic, your Company's business was badly impacted as there were negligible sales. As the restrictions were eased in a phased manner, the impact had also affected the second quarter. Therefore, there was 50% de-growth during the first half of the financial year. However, during this period your Company concentrated more on operational efficiency, technology development and optimum utilization of available resources.

As recovery in your Company's business started during the third quarter, it further accelerated in the fourth quarter also. Thus, the Company's business grew both in value and volume in the second half of the financial year 2020-21. This has enabled the Company to sustain the impact of the COVID-19 pandemic.

The below mentioned table gives the present composition of business of your Company.

Category	Percentage Share in Total Turnover
Consumer durable (white goods) injection moulded plastic components	95%
Brite branded products (material handling crates and beauty products)	5%

**REVIEW OF OPERATIONS:**

During the year 2020-2021, the business of your Company was impacted in the first quarter due to the ongoing COVID-19 pandemic lockdowns and other sanctions, which affected market demand. Fortunately in the second and third quarter your Company did see an increase in demand and a better utilization of its capacities. This momentum continued into the fourth quarter where your Company experienced its peak demand and highest ever turnover.

As the phase wise COVID-19 restrictions have been lifted, your Company has seen an increase in demand across the various segments it caters to. This would include the Washing Machine, Refrigerator, Vacuum Cleaner, Water Purifier, Tooth Brush and Air Conditioner segments.

The tool room division has seen increased order inquiry and request for quotations thanks to the continued move of de-risking from China.

The DIVO brand which is a direct to market product and linked to the retail segment was also impacted in this year due to COVID-19 sanctions and reduced market demand coupled with soft customer sentiment.

**GROWTH DRIVER:**

Your Company is a majority supplier to the fully automatic washing machine segment for our major customer Whirlpool of India. Fortunately the continued change in market demand is fueling good growth in the fully automatic washing machine segment and will continue to help utilize our installed capacities for the same moving forward.

Your Company has increased its footprint in the Air Conditioning segment.

DIVO has expanded its customer base for private label supplies by utilizing its strong sourcing network.

**OPPORTUNITIES:**

- The market sentiment continues to focus on more indigenization of manufacturing and sourcing from domestic suppliers. Owing to the same, there is a continued growth in the segments which your Company supplies to.
- The change in consumer habits due to COVID-19 has seen a boost in certain consumer durable segments.

**THREAT:**

- The primary business of the Company is supplying the consumer durable industry, the nature of which is highly competitive and price revisions are hard to come by, due to which margins remain tight.
- The haircare and beauty care division i.e. DIVO is based on trading and imports and hence any depreciation in Indian currency can have an adverse impact on margins.

**OUTLOOK**

- The outlook is bullish for India, despite COVID-19. Although the Indian economy is impacted, the segments your Company is catering to are seeing continued growth.
- Your Company has been focusing on cost optimization and lean manufacturing which will improve the profitability as the market demand returns back to normal post lifting of COVID-19 sanctions.

## FINANCIAL RATIOS

The significant changes in the financial ratios of the Company, which are more than 25% as compared to the previous year are summarized below:-

Ratio	F.Y. 2020-21	F.Y. 2019-20	Change (%)	Reason for change
Debtors Turnover Ratio	3.12	6.95	(55%)	During the first quarter of financial year 2020-21, there was an impact of COVID-19 on Sales. This has resulted into a lower Debtors Turnover Ratio.
Interest Coverage Ratio	2.94	1.85	59%	There has been an improvement in the ratio due to reduction in interest cost and improvement of profitability during the year.
Debt Equity Ratio	1.46	1.08	(35%)	Change in Debt Equity Ratio due to Increase in Bank borrowing.
Operating Profit Margin (%)	6.29	4.60	37%	During the year, your Company has undertaken various activities to improve operating efficiency and to reduce cost. This has resulted into higher Operating Profit Margin.
Net Profit Margin (%)	2.81	1.58	77%	The improvement in operating profit margin alongwith lower finance cost and depreciation has resulted in higher Net Profit Margin Ratio.

## INTERNAL CONTROL SYSTEMS

The Company has adequate internal audit and control systems. Internal auditors comprising of professional firms of Chartered Accountants have been entrusted the job to conduct regular internal audits at all units and report the lapses, if any, to the management. Both internal auditors and statutory auditors independently evaluate the adequacy of internal control system. Based on the audit observations and suggestions, follow up and remedial measures are being taken including review and increase in the scope of coverage, wherever necessary. The Audit Committee of Directors in its periodical meetings, review the adequacy of internal control systems and procedures and suggest areas of improvements.

The Company has undertaken a detailed exercise to revisit its control systems in technical and other non financial areas to align them properly with Management Information Systems (MIS) to make MIS more efficient and result oriented. Information technology base created by the Company over the period is providing a very useful helping hand in the process. Needless to mention that ensuring maintenance of proper accounting records, safeguarding assets against loss and misappropriation, compliance of applicable laws, rules and regulations and providing reasonable assurance against fraud and errors will continue to remain the central point of the entire control system.

**CAUTIONARY STATEMENT**

Statements in this “Management Discussion and Analysis” describing the Company’s projections, expectations or predictions may be “Forward looking statements” within the meaning of applicable Securities laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could make a difference to the Company’s operation include cyclic demand and pricing of raw materials, changes in Government regulations, tax regimes, cost of power and interest cost and other factors such as litigation and labour negotiations. ## Certificate of Compliance with the Corporate Governance

Independent Auditor's Certificate on compliance with the Corporate Governance requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To  
The Members of  
**Bright Brothers Limited**

1. We have examined the compliance of conditions of Corporate Governance by **Bright Brothers Limited** ("the Company"), for the year ended 31st March, 2021, as stipulated in Regulations 17 to 27, clauses (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("Listing Regulations") pursuant to the Listing Agreement of the Company with Stock Exchanges.

#### Management's Responsibility for the Statement

2. The compliance of conditions of Corporate Governance as stipulated under the listing regulations is the responsibility of the Company's Management including the preparation and maintenance of all the relevant records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of Corporate Governance stipulated in the Listing Regulations.

#### Auditors' Responsibility

3. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31st March, 2021.
5. We conducted our examination of the above corporate governance compliance by the Company in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) and Guidance Note on Certification of Corporate Governance both issued by the Institute of the Chartered Accountants of India (the "ICAI"), in so far as applicable for the purpose of this certificate. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

#### Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.
8. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**Restriction on Use**

9. The certificate is addressed and provided to the Members of the Company solely for the purpose of enabling the Company to comply with the requirement of the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

  - r) Hazardous Waste (Management and Handling) Rules, 1989 and Amendment Rules, 2003;
  - s) The Trademark Act, 1999

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

- The casual vacancy in the office of Independent Director caused by the sudden demise of the independent director on 9th June 2020 was filled within a period of three months by appointment of Additional Director in a Board meeting in compliance of Rule 4 of the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 25(6) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015.

However, due to the nationwide lockdown in view of the ongoing pandemic situation and general extension provided to all Companies for holding the Annual General meeting, the said appointment of the Director who was above the age of 75 years could not be immediately approved by the shareholders in terms of Regulation 17(1A) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015.

The appointment was placed before the shareholders and approved in the Annual General meeting held on 12th November 2020.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All decisions at Board meetings and Committee meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board as the case may be.
- Company is generally regular in compliance with the filing of e-forms with the Ministry of Corporate Affairs as required under the Companies Act, 2013 and the Rules framed thereunder and where in few instances not filed within the prescribed time limit, the same was filed with payment of additional fees.
- There are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines and as informed, the Company has responded appropriately to notices received from statutory/ regulatory authorities including initiating immediate corrective measures, where necessary

I further report that during the audit period, the Company has no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

This Report is to be read with my letter of even date which forms an integral part of this Report.

## Independent Auditors' Report

**TO THE MEMBERS OF,  
BRIGHT BROTHERS LIMITED**

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Bright Brothers Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Emphasis of Matter:

1. The Company has an internal control system. However, the same needs to be strengthen.

Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sn.	The Key Audit Matters	How our audit addressed the key audit matter
1	<b>Evaluation of Contingent Liabilities</b>	
	The Company operates in multiple jurisdictions and is subject to periodic challenges by local tax authorities on a range of tax matters during the normal course of business regarding Disputed Statutory Liabilities and Contingent Liabilities. These involve significant management judgment to determine the possible outcome of the uncertain tax positions, consequently having an impact on related accounting and disclosures in the financial statements.	<p>Our audit procedures include the following substantive procedures:</p> <ul style="list-style-type: none"> <li>➤ Read and analysed documents provided by the management for key uncertain tax positions;</li> <li>➤ Discussed with appropriate senior management and evaluated management's underlying key assumptions in disclosure of disputed statutory liabilities; and</li> <li>➤ Assessed management's estimate of the possible outcome of the disputed cases.</li> </ul>

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Management's Responsibilities for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

## **Annexure – A to the Independent Auditor’s Report**

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Bright Brothers Limited of even date)

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Bright Brothers Limited** (the “Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Annexure – B to the Independent Auditors' Report

With reference to the "Annexure B" referred to in the Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2021, we report the following:

- (i) In respect of Company's property, plant and equipment:
  - (a) The Company has generally maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
  - (b) The property, plant and equipment were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) In respect Company's inventories:
 

The inventory, and inventory lying with third parties, has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- (iii) In our opinion and according to information and explanation given to us, the Company has not granted any loans, secured or unsecured to parties covered in the register maintained under section 189 of the Act. Accordingly, paragraph 3 (iii) of the Order is not applicable to the Company.

### Note 1

#### SIGNIFICANT ACCOUNTING POLICIES

##### COMPANY INFORMATION:

The Bright Brothers Limited ("the Company") is public limited Company incorporated and domiciled in India and has registered office at Office No.91, 9<sup>th</sup> Floor, Jolly Maker Chambers No. 2, 225, Nariman Point, Mumbai 400 021. It is incorporated under the Indian Companies Act, 1913 and its shares are listed on the Bombay Stock Exchange Limited.

The Company is engaged in the business of manufacturing injection moulded plastics products for supplies to Original Equipment Manufacturers for Consumer Durable Industry and market its own products under "Brite" brand for material handling crates.

The Company has hair care division which market hair brushes and beauty products under "DIVO" brand.

##### (A) Basis of Preparation of Financial Statements:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under the Companies (Indian Accounting standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendments Rules 2016 prescribed under section 133 of the Companies Act, 2013.

The financial statements of the Company are prepared and presented on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- Certain financial assets and liabilities are measured at Fair value (refer accounting policy on financial instruments – note (H) below.
- Defined Benefit and other Long term Employee Benefits - Refer note (J) below.

##### (B) Use of Estimates:

The presentation of financial statements requires the management to make certain judgments, estimates and assumption that affects the reported amounts reported under the financial statements and notes thereto. Although such estimates and assumptions are based on the management evaluation of relevant facts and circumstances as on the date of financial statements, the actual amounts (crystallization after preparation of financial statements) may differ from these estimates.

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

##### (C) Property, Plant and Equipment:

- (i) Property, plant and equipment other than certain revalue land, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.
- (ii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (iii) Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- (iv) Cost of land includes lands acquired under lease.
- (v) Cost of building includes buildings constructed on leasehold lands.

##### (D) Depreciation on Property, Plant and Equipment:

- (i) Depreciation on Property, plant and equipment is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, which are equal to the life prescribed under the Schedule II to the Companies Act, 2013.  
Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.  
Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in statement of profit & Loss.
- (ii) Premium on leasehold land is amortized over the period of lease.

##### (E) Intangible Assets:

Intangible assets, which are acquired, are capitalized and amortized on a straight-line basis over their useful lives of four years.

Intangible assets are held on the balance sheet at cost less accumulated amortisation and impairment losses.

## Notes accompanying the Financial Statements

### (F) Foreign Currency Transactions:

- (i) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.
- (ii) Foreign currency monetary assets and liabilities are translated at year end exchange rates. Exchange differences arising either on settlement or on translation of monetary items at the year end are recognised as income or expenses in the year in which they arise.

### (G) Inventories:

Inventories includes Raw Material and Components, Work-in-Progress, Finished goods and Traded goods, Stores & spares, Consumables, Packing Materials.

- (i) Raw Material and Components – Cost include cost of purchases and other costs incurred in bringing the inventories to their present location and condition. Cost is determined using identified lot basis / First in first out (FIFO) basis.
- (ii) Finished stock, Traded goods and Work in progress stock- Cost includes cost of direct material, labour, other direct cost and a proportion of fixed manufacturing overheads allocated based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average cost basis.
- (iii) Stores Spare Parts, Consumables, Packing Materials etc. – Cost is determined on FIFO basis.

Adequate allowance is made for obsolete and slow moving items.

### (H) Financial Instruments:

#### Financial assets - Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss is initially recognised at fair value, and transaction costs are expensed in the Statement of Profit and Loss. Subsequent measurement Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (i) the entity's business model for managing the financial assets and;
- (ii) the contractual cash flow characteristics of the financial asset.

#### (a) Measured at amortised cost:

A financial asset is measured at amortised cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortised cost is calculated using the effective interest rate ("EIR") method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, gain or loss, if any, is recognised to Statement of Profit and Loss.

#### (b) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using EIR method. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to Statement of Profit and Loss.

#### (c) Measured at fair value through profit or loss (FVTPL):

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

#### Equity Instruments:

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised in Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in the OCI. Amounts recognised in Other Comprehensive Income (OCI) are not subsequently transferred to Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised in Statement of Profit and Loss.

#### Impairment:

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

## Notes accompanying the Financial Statements

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL.

The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

### De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

### **Financial Liabilities**

#### Initial Recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities include trade and other payables, loans and borrowings.

#### Subsequent measurement:

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

#### Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

#### Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

### De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **(I) Fair Value measurement:**

The Company measures financial instruments, at fair value at each balance sheet date.

## Notes accompanying the Financial Statements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### (J) Employee Benefits:

The Company has following post-employment plans:

- (a) Defined benefit plans such a gratuity,
- (b) Defined contribution plans such as Provident fund & Superannuation fund and
- (c) Other employee benefits

#### (a) Defined-benefit plan:

The defined benefit obligations are calculated annually by actuaries through actuarial valuation using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (i) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (ii) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising

- (i) Re-measurement of Actuarial(gains)/losses
- (ii) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (iii) Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

#### (b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

## Notes accompanying the Financial Statements

### (c) Other employee benefits:

- (i) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.
- (ii) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.

### (K) Impairment of Non Financial Assets:

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

### (L) Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items, that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

### (M) Provisions, Contingent Liabilities and Contingent Assets:

#### Provisions:

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the Company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

#### Contingent Liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that can't be recognised because it can't be measured reliably. The Company does not recognise the contingent liability but disclose its existence in its financial statements.

#### Contingent assets:

Contingent assets are neither recognised, nor disclosed.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

## Notes accompanying the Financial Statements

### (N) Leased Assets:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 "Leases" which replaces the existing lease standard, Ind AS 17 "Leases" and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

Effective 01 April, 2019, the Company has adopted Ind AS 116 "Leases". The Company's lease assets class consist of leases of factory premises and office premises. These leases were earlier classified as "Operating Leases" under Ind AS 17.

On transition to Ind AS 116 "Leases", the Company has determined these as short term leases.

- The company didn't recognised the Right to Use and Lease liabilities for lease for which the leases are classified as short term on the date of initial transition.
- All the lease transactions entered by the company are deemed as short term leases.

Considering the above criteria, all the leases previously classified as operating leases under Ind AS 17 are to be deemed as short term leases and hence no further adjustments to its carrying value is required to be made in this financial statements.

Rental expense recorded for short-term leases was ₹ 177.11 lakhs for the year ended 31 March, 2021 (Previous Year ₹ 187.66 lakhs)

### (O) Exceptional Items:

Exceptional Items: On certain occasions, the size, type or incidence of an item of income or expense, pertaining to ordinary activities of the Company is such that its disclosure improves an understanding of performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

### (P) Borrowing Costs:

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of cost of such asset till such time as the asset is ready for its intended use or sale. All other borrowing costs are charged to revenue.

### (Q) Revenue Recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue is recognised only if following conditions are satisfied:

- (i) The Company has transferred risks and rewards incidental to ownership to the customer;
- (ii) The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (iii) It is probable that the economic benefit associated with the transaction will flow to the Company; and
- (iv) It can be reliably measured and it is reasonable to expect ultimate collection.

Revenue from sale of services is recognized when the services are rendered.

Dividend income is recognised when the right to receive payment is established.

### (R) Earnings Per Share:

Earnings per share are calculated by divided the profit attributable to the shareholders by the number of equity shares outstanding at the close of the year. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the period. The weighted diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

### (S) Cash and Cash Equivalents:

Cash and Cash equivalents include cash and cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

### (T) Cash Flow Statement:

The Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:

- (i) transactions of a non-cash nature.
- (ii) any deferrals or accruals of past or future operating cash receipts or payments and
- (iii) items of income or expense associated with investing or financing cash flows.

### (U) Cash Dividend:

The Company recognizes a liability to pay dividend when the distribution is authorised and the distribution is no longer at the discretion of the Company i.e. when the dividend distribution is being approved by the shareholders. A corresponding amount is recognized directly in equity.

#### Notes:

- Most of the issues of litigation pertaining to Central Excise/Service Tax/Income Tax are based on interpretation of the respective Law & Rules thereunder. Management has been opined by its counsel that many of the issues raised by revenue will not be sustainable in law as they are covered by judgments of respective judicial authorities which supports its contention. As such no material impact on the financials of the Company is envisaged.
- Sales Tax and Entry Tax related litigation/demand primarily pertains to non-submission of required declaration forms in time due to non- receipt of the same from customers and/or some interpretation related issues. However in most of the cases, required documents are being filed and minor impact if any, shall be given in the year of final outcome of respective matter in appeal.
- Other issues are either in ordinary course of business or not of substantial nature and management is reasonably confident of their positive outcome. Management shall deal with them judiciously and provide for appropriately, if any such need arises.

The Management assessed that fair value of cash and cash equivalents, trade receivables, investments in term deposits, loans, other financial assets (except derivative financial instruments, if any), trade payables, and other financial liabilities (except derivative financial instruments, if any) is considered to be equal to the carrying amount of these items due to their short-term nature. There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the period.

### 38. Risk Management:

#### Financial risk management objective and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board. The risk management policies aim to mitigate the following risks arising from the financial instruments: (a) Liquidity risk; (b) Market risk and (c) Credit risk.

## Notes accompanying the Financial Statements

### (A) Financial risk factors

The Company's principal financial liabilities comprise borrowings, deposits from dealers and trade and other payables. The purpose of these financial liabilities is to finance the Company's operations and to provide to support its operations. The Company's principal financial assets include investments, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to the following risk arising from the financial instruments: (a) Liquidity risk; (b) Market risk and (c) Credit risk.

Risk	Exposure arising from	Measurement	Management
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities; working capital management
Market Risk - Foreign exchange	Financial assets and liabilities denominated in Foreign Currencies.	Cash flow forecasting; Sensitivity analysis	Hedging Forex planning
Market Risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market Risk - Price risk	Investments in Equities, Bonds, debentures, Mutual Funds	Sensitivity analysis; market fluctuations; credit rating	Continuous monitoring, Diversification
Credit risk	Cash and cash equivalents, trade receivables, investments, loans and other financial assets measured at fair/amortised cost.	Ageing analysis/Credit ratings/Assets Coverage	Diversification in various class of assets, credit limits

#### (a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintaining sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows, undrawn committed credit facilities are expected to be sufficient to meet the liquidity requirements of the Company.

#### (i) Financing arrangements

The Company has access to the following undrawn borrowing facilities as at the end of the reporting period:

(₹ in Lakhs)

Particulars	As at 31 March, 2021	As at 31 March, 2020

## Notes accompanying the Financial Statements

### (b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include investment, deposits, foreign currency receivables and payables. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

#### (i) Foreign currency risk

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Company's functional and presentation currency is INR. The Company has not entered into any transaction, in currency other than functional currency, for purchase of raw material or capital assets nor availed any foreign currency loans, which remains outstanding as at year end. Similarly, the Company does not have any assets / liabilities receivable / payable in foreign currency as at year end date. The Company is not exposed to any foreign currency.

#### (ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's entire borrowings, Long term as well as short term, have fixed rate of interest and carried at amortized costs. The Company did not have any borrowings bearing variable rate of interest.

#### Exposure to Interest rate risk - Financial liabilities

(₹ in Lakhs)

Particulars	As at 31 March, 2021	As at 31 March, 2020
Total borrowings	7,242.49	4,739.69

1. Short term in nature	74.30%	73.23%
2. Long term in nature	14.82%	10.15%

Hence, the Company is not exposed to any interest rate risk.

#### (iii) Price risk

The Company's exposure to price risk arises from investments held by the Company and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from its investments, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company in accordance with the guidelines provided by the Board of directors of the Company.

## Notes accompanying the Financial Statements

### (c) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of counter party, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an on-going basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as;

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations.
- (iv) Significant increase in credit risk on other financial instruments of same counterparty.

The company categorises financial assets based on the assumptions, inputs and factors specific to the class of financial assets into High-quality assets, negligible credit risk; Quality assets, low credit risk; Standard assets, moderate credit risk; Substandard assets, relatively high credit risk; Low quality assets, very high credit risk; Doubtful assets, credit-impaired.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than one year past due. Where loans or receivables have been written off, the Company continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

#### Provision for expected credit losses:

		Basis for recognition of expected credit loss provision		
Description of category	Category	Investments	Loans and deposits	Trade Receivables
Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil	High-quality assets, negligible credit risk	12 month expected credit losses	12 month expected credit losses	Life time expected credit losses (simplified approach)
Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past	Quality assets, low credit risk			
Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong	Standard assets, moderate credit risk			
Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 180 days past due	Substandard assets, relatively high credit risk	Life-time expected credit losses	Life-time expected credit losses	Life time expected credit losses (simplified approach)
Assets where there is a high probability of default. In general, assets where contractual payments are more than 180 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 180 days past due	Low quality assets, very high credit risk			
Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make Contractual payments greater than 365 days past due. Where loans or receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Doubtful assets, credit-impaired	Asset is written off
